Counsel for Uber Technologies, Inc.

**UNITED STATES BANKRUPTCY COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN FRANCISCO DIVISION**

In re:

Case No. 20-30242 (HLB)

ANTHONY SCOTT LEVANDOWSKI,

Chapter 11

Debtor.

ANTHONY SCOTT LEVANDOWSKI, an individual,

Adv. Pro. No. 20-03050 (HLB)

Plaintiff,

V.

UBER TECHNOLOGIES, INC.

Defendant.

**DEFENDANT UBER TECHNOLOGIES,
INC.'S INITIAL DISCLOSURES
PURSUANT TO FED. R. CIV. P.
26(A)(1)**

1 Pursuant to Rule 26(a)(1) of the Federal Rules of Civil Procedure, Defendant Uber
 2 Technologies, Inc. (“Uber”) hereby provides its initial disclosures.

3 These initial disclosures are based on information currently available to Uber. These
 4 disclosures are made pursuant to Uber’s current understanding of the allegations in the Adversary
 5 Complaint and without benefit of access to the full un-redacted Corrected Final Award and record in
 6 the JAMS arbitration proceeding captioned *Google Inc. v. Levandowski* (Reference #1100086069)
 7 (“Google Arbitration”), as well as without the ability to analyze information in the matter of *Waymo*
 8 *LLC v. Uber Technologies, Inc.*, No. 3:17-cv-00939-WHA (N.D. Cal. Feb. 23, 2017) (“Waymo
 9 Litigation”), that has been identified as confidential by any party other than Uber. Uber may
 10 supplement these disclosures as this information is made available to it and as its investigation
 11 continues. Uber makes these disclosures without prejudice to its right to supplement these disclosures
 12 if additional responsive information becomes available, to correct or modify any information set forth
 13 or referenced herein, and to use the amended or supplemental information to support its defenses
 14 during discovery, pretrial and trial, and for supporting motions.

15 **1. Disclosures Pursuant to Fed. R. Civ. P. 26(a)(1)(A)(i)**

16 Defendant identifies the following individuals as likely to have knowledge of discoverable
 17 information, and the accompanying subject matters, that Uber may use to support its claims or defenses
 18 in this matter.

19 The individuals that Uber identifies below include certain of the fact witnesses who testified
 20 in person, via videoconference, or by deposition in the Google Arbitration. As Uber has not been
 21 provided access to the entire record for the Google Arbitration, it cannot identify whether other
 22 witnesses who testified during that arbitration, as identified at pages 11-12 of the Google Arbitration
 23 Award, may also testify and/or whether the identified topics for any witness may be expanded. Based
 24 upon analysis of each witness’s testimony in the Google Arbitration and in the Waymo Litigation (if
 25 they also testified in that case), Uber may identify additional witnesses, including potentially
 26 additional witnesses associated with Google LLC (“Google”), Waymo LLC (“Waymo”), Stroz
 27 Friedberg LLC (“Stroz Friedberg”), and/or Tyto LiDAR, LLC (“Tyto”), as well as additional topics
 28 as to the witnesses who have been identified. These additional witnesses may include witnesses who

were deposed or testified in the Waymo Litigation, following authorization to review the testimony of witnesses (other than Uber witnesses) for purposes of this case.
